Worked on a contract basis in senior and executive positions for various Clients including Edith Cowan University and Hitachi.

## Myers Briggs Personality Profile

As an INTJ, my personality is defined by strategic thinking, analytical skills, and a strong sense of independence. I'm a visionary, always planning for the long term and solving complex problems. I value logic, efficiency, and autonomy, and I'm driven to turn my ideas into reality. My intellectual curiosity helps me see the big picture, making me thrive in roles that require critical thinking and strategic insight.

## PROFILE

As a seasoned leader and entrepreneur with over twenty years in Media, Recruitment and Executive Team Management, I've founded two successful businesses and helped other enterprises achieve remarkable success. My hands-on approach ensures that those I work with gain actionable strategies which are able to implemented immediately.
